This year has been quite a year for off road Vehicles and Motor bikes. The Snowdown Colliery and Tilminstone pitt seem to be quite attractive areas again. So this month we saw quite a few inches of snow. What a pretty few days that was. It doesn't stop us coming out and patrolling the local areas. It usually ends up been a very busy time for the police and all emergency services.

As PSCO's we are jack of all trades. We came across a tree blocking half the road on Shepherdswell Road, what do we do? Knock on the door of a local resident in the hope a team of strong men live there. Much to our disappointment there wasn't but we did manage to acquire 2 very small saws!! We started the mission of sawing the tree, it felt like we would be there for hours.

Then came our saviour, a man with a chainsaw in the back and his very own huscavana safety trousers and helmet!

I'd like to take this opportunity to thank the communities we work in for the help we always receive from you its much appreciated in these challenging times.
